- Increase sales leads
- Gain the confidence of key decision makers

PROFILE YOUR EXPERTISE AND GENERATE SALES LEADS

The AquaStage is a unique platform for the exchange of knowledge, located on the trade show floor. Make use of the AquaStage to profile your company and generate leads by informing prospective customers about your specialism.

The AquaStage programme offers targeted thematic mini-seminars or workshops on the following specific themes:

1. Smart Water Networks
2. Desalination
3. Innovation
4. Wet circular economy

A stand-alone presentation on your own specific topic is also possible. Contact the Aquatech team at aquatech@rai.nl for further details.
